# Smart Mobility in Your **Municipality**

Simplify gated and gateless parking in your municipality with a single white-labeled city app—or go app-free! Plug & Play to deliver a seamless digital experience for residents, visitors, and staff, complete with permits, validations, and enforcement tools.
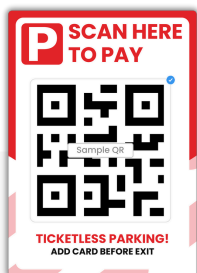

Make entry & exit **3x faster** in your municipality.

Park without pulling a ticket.

DRIVE IN → **PARK** → **DRIVE OUT**

Camera reads the plate when the parker drives in

Add payment method or use the app

Camera reads the plate and closes the session

Let your customers choose their own journey.
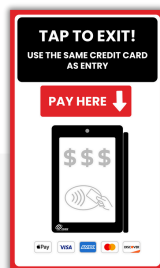

App-free	**Card**	**App**
Scan a QR or send a text to pay online	Tap a card at the exit to pay on the spot	Automated entry/exit permits and payments
